# BEHIND *Meet Me: Ansley Feagell* THE LENS

## ESTABLISHED 2018

Ansley Volkman Photography was founded in the Fall of 2018 after my high school graduation! Although I started off begging for people to take pictures of, I have been blessed by the growth I have had over the past few years. I have a wide variety of clients; however, I secretly love my seniors the most!

# WHAT TO EXPECT

## *The Process*

### THE PROCESS

Whether you have always dreamed of your senior session or it's never even crossed your mind, we are here to meet all of your needs! From the moment you inquire about your session, we are in the background dreaming up all the incredible ways to make your senior pictures beautiful and unique to you. You can expect to chat back and forth with us about what you are looking for as far as locations, ideas, and even outfits so we can guarantee your satisfaction with our session!

### THE EXPERIENCE

When you choose to work with us, you are choosing a guaranteed comfortable yet fun time! There is no need to worry about posing because I have quite a few tricks up my sleeve to create the sweetest pictures! Almost every client of mine starts off by saying, "I'm just so awkward in pictures," however, they finish the session raving about how much fun they had.

### THE PICTURES

I deliver my galleries 3-4 weeks after your session! All my images are shared digitally, and I give you full access and rights to the high-resolution images for you to download and print all of your favorites.

# FAQ'S

*"need to know"*

## #1 What if I'm sooo awkward?

Don't worry, I've got you!!! Majority of people begin with this exact same thought but end overwhelmed with how much fun they had. I have plenty of tricks up my sleeve to make the session enjoyable and the pictures natural!

## #2 How long will it take to get my pictures?

My turnaround has been anywhere from a day to 4 weeks, BUT I tell most clients to expect pictures within 3-4 weeks! (Always be on the look out for a social media sneak peek a couple days after your shoot though.)

## #3 Do you pick out my outfits for me?

I believe you know yourself better than I do, so I do not have a closet for you to choose from. HOWEVER, I do have a styling guide to help you pick out what to wear if you want it!!

## #4 Do I need to pick my locations or do you do that?

I have TONS of places that I love to shoot at, but I am always down to adventure somewhere !

## #5 Do you print my pictures?

I do not print them myself; however, I strongly encourage you to use the printing store connected to the website that holds your gallery! Their work will give you the best quality images in my opinion.

## #6 Do I get all rights to my pictures?

Short answer...yes. Long answer...I have spent hours making your pictures perfect for you, so it is encouraged and greatly appreciated when credit is given where credit is due! The same goes for re-editing...again, I spent hours making them the way they are; therefore, I would greatly appreciate if you post what you paid for!
